

## Capture One

### Software License Agreement

Updated: December 2008

PLEASE READ THIS SOFTWARE LICENSE AGREEMENT CAREFULLY BEFORE USING THE SOFTWARE. THIS IS AN AGREEMENT BETWEEN YOU AND PHASE ONE. BY USING THE SOFTWARE, YOU ARE AGREEING TO BE BOUND BY THE TERMS OF THIS LICENSE. IF YOU DO NOT AGREE TO THE TERMS OF THIS LICENSE, PROMPTLY RETURN THE SOFTWARE TO THE PLACE WHERE YOU OBTAINED IT FOR A REFUND.

#### 1. License.

The software and any parts accompanying this License whether on disk, in read only memory or any other media (the "Software") are licensed, not sold, to you for use only under the terms of this Software License Agreement ("License"). You own the media on which the Software is recorded but Phase One and/or Phase One's licensor(s) retain title to the Software. The Software in this package and any copies, which this License authorizes you to make, are subject to this License.

#### 2. Grant of License.

Subject to the restrictions in Section 3, Phase One hereby grants to you the following non-exclusive rights in respect of the Software subject to your fulfillment of the relevant criteria. The rights granted to you are personal and non-transferable. Your rights under this License will terminate automatically without notice from Phase One if you fail to comply with any term(s) of this License.

##### 2.1 Evaluation License.

You may use a copy of the evaluation version of the Software (comprising the evaluation version of the programs and any accompanying documentation), for evaluation purposes only without charge for a period of up to 30 days. If you wish to continue to use the Software after expiry of the evaluation period you must pay the License fee and obtain a full License. For details of payment, please refer to the Purchase Information in the package or visit our website at: [www.phaseone.com](http://www.phaseone.com). When Phase One has received payment you will receive a License Number, with which you can unlock any locked or disabled functionality in the evaluation version of the Software.

##### 2.2 Single User License.

This License is for one person to use, provided that you have obtained from Phase One a Single User License Number. The Single User License can only be used on one computer at a time. However, it may be installed on up to 2 computers. You are allowed to create one copy of the Software in machine-readable form for backup purposes only. The backup copy must include all copyright information contained on the original.

##### 2.3 Multi User License.

You may install the Software on each of your company's computers/server(s), up to the Permitted Number, provided that you have obtained from Phase One a Multi User License.

**Multi user Limitations and Restrictions:** You may not permit any user outside your company's internal network to install the Software or to use your company's product code, nor are you allowed to emulate your Software from their Computer (e.g. multi-user authorizing).

To request additional Software usage rights, please contact Phase One.

#### 3. Restrictions.

3.1 You may not use the Software in any application or situation where any failure of the Software could lead directly to death, personal injury, or severe physical or environmental damage, including without limitation using the Software for controlling the operation of equipment in any nuclear facilities; aircraft navigation, communications or flight control systems; air traffic control systems; mass transit systems; applicable medical equipment; or weapons systems.

3.2 This License only gives you some rights to use the Software. Phase One reserves all other rights. Except as permitted by applicable law you may not decompile, reverse engineer, or disassemble the Software. You may not modify, rent, lease, loan, distribute, sub-license, create derivative works from the Software, transmit the Software over a network or otherwise provide commercial hosting services with the Software.

#### 4. Limited Warranty on Media.

Phase One warrants the media on which the Software is recorded to be free from defects in materials and workmanship under normal use for a period of ninety (90) days from the date of original retail purchase. Your exclusive remedy under this paragraph shall be, at Phase One's option, a refund of the purchase price of the product containing the Software or replacement of the Software, which you will return to Phase One or a Phase One authorized representative with a copy of the receipt. This Limited Warranty and any implied warranties on the media including the implied warranties of merchantability and fitness for a particular purpose are limited in duration to ninety (90) days from the date of original

retail purchase. Some jurisdictions do not allow limitation on how long an implied warranty last, so this limitation may not apply to you. The limited warranty set forth herein is exclusive and in lieu of all others, whether oral or written, express or implied. Phase One specifically disclaims all other warranties. This limited warranty gives you specific legal rights, and you may also have other rights, which vary by jurisdiction.

#### 5. Disclaimer of Warranty on Software.

**You expressly acknowledge and agree that use of the Software is at your sole risk. The Software is provided “AS IS” and without warranty of any kind, and Phase One and Phase One's licensor(s) and supplier(s) (for the purpose of Sections 5 and 6, Phase One and Phase One's licensor(s) and supplier(s) shall be collectively referred to as the “Capture One Licensors”) expressly disclaim all warranties, express or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. The Capture One Licensors do not warrant or make any representations regarding the use or the results of the Software or related documentation in terms of their correctness, accuracy, reliability, or otherwise. No oral or written information or advice given by a Capture One Licensor or its authorized representative shall create a warranty. Should the Software prove defective, you (and not the Capture One Licensors or a Phase One authorized representative) assume the entire cost of all necessary servicing, repair or correction. Some jurisdictions do not allow the exclusion so this limitation may not apply to you.**

#### 6. Limitation of Liability.

**Under no circumstances, including negligence, shall Capture One Licensors be liable for any incidental, special, indirect or consequential damages arising out of or relating to this license or the Software, nor shall any Capture One Licensor other than Phase One be liable for direct damages arising out of or relating to this license or the Software. Some jurisdictions may not allow this limitation of incidental, consequential or other damages so this limitation may not apply to you. In no event shall Capture One Licensors' total liability to you for all damages exceed the amount paid for this License to the Software.**

#### 7. Termination.

Phase One may terminate this License upon written notice to you due to (i) an intellectual property infringement claim relating to the Software in the event that Phase One is unable to remedy the infringement by working around such infringement or by obtaining the required license rights; or (ii) your breach of this License.

#### 8. Export Rules.

The Software is subject to U.S. export laws and regulations. You must comply with all U.S. and international export laws and regulations that apply to the Software, including its components. You represent that you have not had export privileges suspended, revoked or denied by a U.S. governmental agency.

#### 9. Third Party Beneficiaries.

The parties agree that Phase One's licensors and suppliers, together with their subsidiaries and affiliates, are third party beneficiaries to this License with the right to rely on and enforce its terms to their full extent, notwithstanding that such entities are not parties to this License. You further agree not to take any actions that may prevent or otherwise impair any such licensor's or supplier's exercise of these rights.

This software incorporates software developed and owned by NIKON Corporation. The restrictions on use, limitations of liabilities, and disclaimers of warranties applies to the NIKON software also.

#### 10. Controlling Law and Severability.

This License shall be governed by the laws of the Kingdom of Denmark. If for any reason a court of competent jurisdiction finds any provision, or portion thereof, to be unenforceable, the remainder of this License shall continue in full force effect.

#### 11. Complete Agreement.

This License constitutes the entire agreement between the parties with respect to the use of the Software and supersedes all prior or contemporaneous understandings regarding such matter. No amendment to or modification of this License will be binding unless in writing and signed by Phase One. If Phase One, at its discretion, releases an update to the Software, such update will be governed by the same terms and conditions as this License.
